THE WEATHER .- Yesterday was exly all day-the streets as a consequence vere muddy—and unlucky pedestrians went splashing along, under umbrellas or in wrappings. We don't want to see any more such days, for we fear sickness would result therefrom.

THE SKATING PARK -- Yesterday the anagers of the skating park procured the hose of the city fire engines and by making an attachment up on Main street, and running the hose over the bridge, they succeeded in putting a pretty heavy stream of water into the pond. By this means they expect to have it filled and in order for freezing by the next cold spell.

Goop Advice.—Why throw away your money in purchasing a worthless Sewing Machine, when you can get one of the celebrated Wheeler & Wilson machines at Wm. Summer & Co.'s, 19 Main street, who warrants overy minchine he sells for three years. Upwards of two hundred thousand families are now using these machines, and they have nover failed yet to give satisfaction. Is it not safer and better to lay out your money for one of these machines than to pay it for a machine without any reputation, and which you may have to send to the auction store as uscless in a few weeks?

\$17,500, the amount of taxes due from his county for the year 1865.

This doesn't look much'like Berkeley was going back to the old State. We suprose if she is taken back we shall have a law suit with our old "mamma" for these taxes.

In the meantime, we have the money, and possession being considered nine-tenths of the law we guess we had better hold on to it.

If the Berkeley county folks want to mak a donation of the amount to the old State we suppose nobody will object.

AN EXPLANATION, Some time since, in the discharge of our high and noble calling as a public journalist, we took occasion to correct an error that the editor of the Wellsburg Herald had fallen into in regard to Wheeling whisky.

into in regard to Wheeling whisky.

Our item by some hands was altered or changed into what might be considered as a charge against the sobricty of our old friend of the Herald. The item thus changed was copied into the Washington, (Pa.,) Parkersburg, Steubenville, Pitaburg, Columbus and Cleveland papers, with remarks, by some of the copyists, anything but complimentary to "ye Herald edytor."

We wish to say now in explanation that we do not wish to be understood as having, in the Item above referred to, brought any charge against the temperate habits of Mr. Herald. A desire for a joke, or a milignant spirit, may have induced our cotemporaries to badger the Herald editor, but we consider it unfair that we should be made to saddle the responsibility of so serious a charge.

We only desire to direct the attention of our shopping friends to the fact that they can spend an hour both profitably and pleasantly in looking through the stock of holiday gifts at J. C. Orr & Co.'s. There is something there to attract the taste of almost every one.
